**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not limit competition for internet providers. I used to have DSL with AT&T and they were double the price for slower speeds and limited data! I am so happy with Sonic fiber, especially the UNLIMITED data. When I cancelled my service with AT&T, the customer service representative was shocked with how much I was paying. I was also happy to rid myself of my landline with AT&T, now I have a phone line with Sonic at a more reasonable cost. Don't let the oversized telecom providers have a monopoly on the market. Protect the consumer, and let competition reign.

Thank you for your time.
